September 2011 Report

October 1, 2011

LA GOTERA

Last month we did not include the pictures of the church in **La Gotera**. As mentioned, the church there celebrated their First year of existence. Here they are.

Members from our congregation and Escobedo were present there for the celebration. People in town had an opportunity to hear the Gospel of

Christ through our door-knocking work.

LADIES' DAY

We had quite a feast! More than six hundred people were present for the event. Great lessons from God's Word by Bro. **Milton Lee** of Lubbock, TX. Bro. **Lee** is one of the elders at the Parkway Church of Christ of Lubbock, and a good friend to Miguel for many years. Bro. **Kris Groda** from Mt. Pleasant, TX., was unable to come due health problems on the part of his wife. We pray to God for her health, and hope that maybe next time brother Kris can be with us. As it is typical, ladies came from several States around Queretaro and there was great joy and fellowship in christ. We wish to thank the **North Jefferson Church of Christ** of Mt. Pleasant, TX., for their generosity in taking care of Bro. Lee's air plane ticket. As usual, North Jefferson stepped forward when needed. Thank you Bro. **Miller** for being instrumental **in this**, and thank you everyone at N. Jefferson.

Olivia Arroyo received a Diploma for 25 years of dedication and hard work in this Ladies' Annual Meeting. This meeting started back in 1996 in our living-room with just a handful of local Christian women, and has now become one of Mexico's most popular.

This is a general view of Ladies' Day meeting attendance. Some men were also present as the lessons, although especially prepared for women, were presented by a man, in this case by Bro. Lee.

*"Favour is deceitful, and beauty is vain:
but a woman that feareth the
LORD, she shall be praised"*

Proverbs 31:30

HOME BIBLE STUDIES

Several Home Bible Studies are being conducted throughout the week and it would be quite a lengthy list if we mentioned each one. Nevertheless we would ask you to please pray for two of the: Pray for Mrs. **Josefina Vazquez** and her two children **Alejandra & Cesar**. They are attending faithfully on Sunday but are in need of much Bible study. We meet every week on Thursday evening and are very pleased to hear our Bible answers to their questions. Bro. Lee had an opportunity to meet these people and study with them also when he came.

Twice a week our oldest son **Alan** and I (Miguel) get together to study God's word. He is eager to learn and has many questions. We would appreciate your continued prayers for him as he strives to seek for God.

GOSPEL MEETING COMING UP

Our next event will take place on **December 2-4** when Bro. **Juan Ramon Garcia** of **San Jose, Costa Rica** will come to Queretaro and preach our Annual Gospel Meeting. Juan Ramon is a good old friend of mine (Miguel) from our Sunset School of Preaching days. He is a very dynamic speaker and we know he will do a great job.

MISSION TARGET CITIES IN CENTRAL MEXICO

As mentioned before, this year the **Crieve Hall Church of Christ** of Nashville, TN., began to support several men in cities around us: Bro. **Nery Delgado** in Cadereyta, **Fredy Garcia** in San Pedro, **Esaul Franco** in Leon, **Jonathan Mojica** in La Piedad, **Leoncio Gudiño** in Queretaro, and **Arcadio Rico** in Apaseo el Alto. We are excited about these new mission points and pray that we will see a tremendous growth of the Kingdom in them. Nevertheless, many major cities still remain unreached. Let me share with you a few pictures of those cities and the approximate number of souls that have not yet heard the Gospel of Christ there.

*"Go ye therefore and teach all
nations"* Matthew 28:19

Guanajuato

Capital city of the State of Guanajuato. About 100,000 people living here. Mainly a touristic place with lots of people studying and working here. Thousands of tourists from all over the world like to visit this place.

In future reports I will share with you some other cities that desperately need for someone to go there and preach Christ. May God grant us to see the day when all these great cities will have at least one congregation of the Lord's church.

THE ARROYOS

Our family is doing well thanks God. No major health problems so far, only the normal wear and tear. We appreciate your love for us and mission work in Mexico.

In Christian love
